

Directions for my snowman

By: student Anna 22B

1. First you need to make the background color light blue. Draw 3 circles small, medium, and large. The large should be about 7cm in horizontal. The medium is a pretty good circle and should be 5 cm horizontal. The small circle should be 3 ½ Horizontal and those have the outline white and fill. And stack them large on the bottom medium in the middle and small on top make sure they are all white.
2. Next make 4 circles that are ½ cm diameter and make them in to a smiley face and make sure they are on the small circle toward the bottom. All the 4 circles should pure black. Then make 2 circles that are ½ cm and they should be ½ cm from the top head and 1 in. apart.
3. Then go to shapes and go to the third row. Go two from the eight sided star and click the cone and make it ½ from the tip to the other tip. Put the cone between the smiley face and eyes.
4. Next we are going to make a scarf! Make 2 rectangles that are 1 in. vertical and ½ in horizontal. Turn one scarf facing the sky and the other facing the side. Put the scarf facing the sky on the edge of the snowman's neck put the other one on the rest of the neck. Outline color should be pink and fill black.
5. Now we will make the hat. Make a rectangle that is 4cm in vertical and 1cm in horizontal .Next make another one that is 2cm in vertical and 2 ½ cm in horizontal . Place the first rectangle and place the top of it at the top of the snowman's head. Now put the other one on the bottom of one rectangle. It should all be black.
6. Now we are going to make the arms, make two 4cm in vertical the place them in the center of the middle ball then make 5 little ones that are each 1cm long and then place them around the 4cm log make sure that they are all brown.
